

California Young Democrats & California College Democrats

Sacramento Summer Fellowship

Features

- Placement in the Sacramento office of a Democratic elected official
- Access to an exclusive weekly speaker series
- Free housing available upon request

Program Overview

The Sacramento Summer Fellowship program is an intensive internship program in Sacramento for college students and recent graduates. The program places participants in the offices of Democratic elected officials from June 18 to August 5.

Through the program, interns will gain valuable experience by participating firsthand in the legislative process and acquire skills applicable to many types of government work.

In addition to internships, the program provides access to special events which give fellows the opportunity to meet and engage with leaders in the fields of policy, campaigns, media, and advocacy.

The Fellowship program is free of charge to all participants, and free housing in the Sacramento area will be provided upon request.

Application Process

During the application process, candidates will be asked to provide their personal information and respond to three short answer questions. Additionally, candidates will be asked to submit a resume, transcript, and list of references.

To begin applying, visit: <http://cacollegedems.org/fellowship>

****Applications must be received by April 15, 11:59 P.M. PST****

Preference will be given to active members of CYD or CCD chapters; however, all young Democrats are encouraged to apply.
